

Mickey

Pouffe

Mickey, a design by ITO Design studio, meets all requirements of modern and flexible workspaces. Supports work in standing or semi-standing position. In addition, encouraging movement and keeping muscles tight. It perfectly fits into spaces that change their arrangement depending on the needs.

Collection features:

- It is a unique combination of a pouffe and a swivel stool with height adjustment.
- totally intuitive and easy to use
- provides support by tilting from side to side (range of 10 degrees in each direction)
- three colours of plastic parts
- Möbelfakta certificate - a guarantee of durability, safety, environmental care and social responsibility during the production process
