

Dual Monitor Arm

Features:

- Create a multi-display workspace to increase productivity in larger workspaces such as L-shaped or corner desks.
- Elevate your monitors to maximise desk space and reduce eye, neck and shoulder strain.
- Tallo™ offers effortless gas spring finger touch adjustment, perfect for adjusting and repositioning your monitor.
- Unique slider allows for seamless monitor alignment without taking up valuable desk space.
- 270° arm swivel with 180° lock out feature to avoid collisions with walls or partitions.
- Quick release VESA plates for ease of set up.
- Stylish and sleek design with cable management to keep your workstation tidy.
