

# Posturite in numbers

What has been flying off the shelves?  
Which services and training have experienced red hot demand?

2021 has seen us continue our mission to help you find everything you need for a better experience at work. Let's take a look...

**2,510**

delegates now bursting with knowledge about **Ergonomics, Wellbeing, First Aid, Health & Safety** and **Disability Enablement** following Posturite training.

We've sent you **49,000** chairs

and our trained technicians have set up

**13,000** of these

**52%**

of participants accessed their training remotely.

**10,200**

**DSE Assessments** carried out

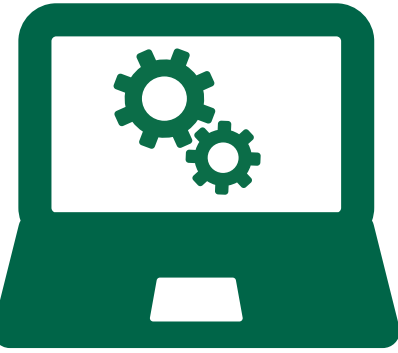

**75+**

companies now outsource their **DSE assessment process** to us, including

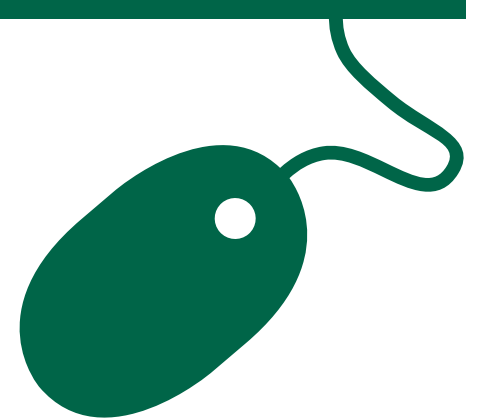

**1,000+**

hours of call time and support.

**28,500**

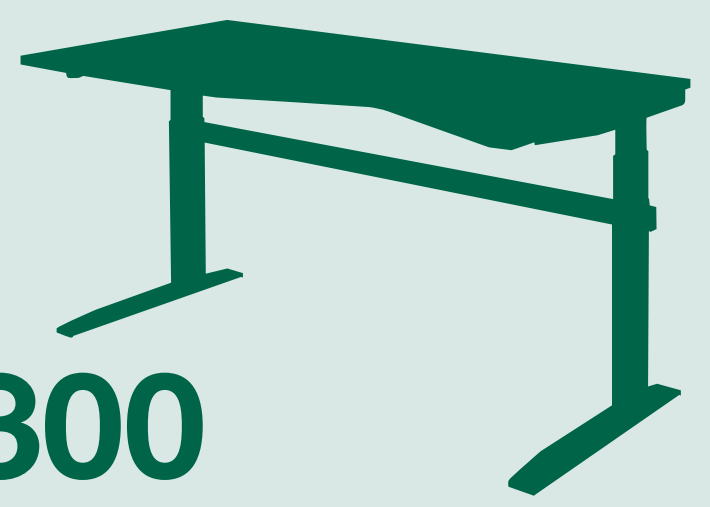

ergonomic mice purchased

**4,300**

desks sent to customers including

**2,600** homeworking desks.

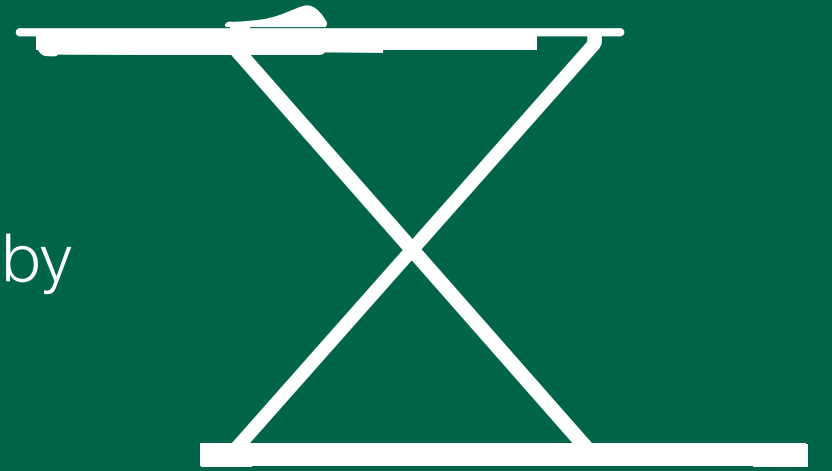

**370**

**NEW** and exciting products added to **posturite.co.uk**

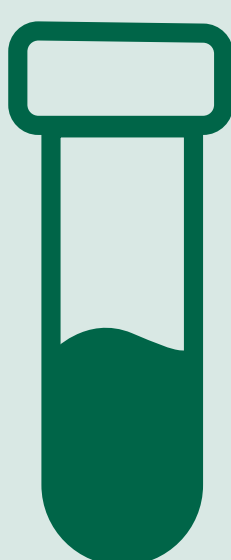

**3,327**

people freed from sedentary behaviour by becoming the proud owners of an **Opløft Sit-Stand Platform**

**10,000**

footrests purchased

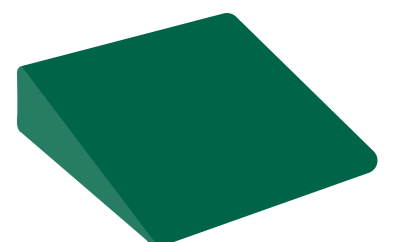

We wish we hadn't had to...but we sent out

**61,000**

Lateral Flow Test Kits to you!

**8,000**

back cushions & wedges purchased

**100%**

waste diverted from landfill

**37%** has been recycled with **63%** sold back to market

What will 2022 bring? We'll be ready to help you.

Please note, some of these figures have been rounded to the nearest tenth
