

Good Impressions...

are good for Business

Refurbishing your office or purchasing new office furniture via leasing can be a prudent and sensible way to revitalise the workplace.

By spreading the load, costs can be factored into cash flow and budgeting processes.

Leasing is available on all products including seating, desking, storage, board rooms, reception areas; basically anything you need to equip your offices.

- On a lease rental contract VAT is payable at 20%
- The indicative prices shown below are subject to a minimum purchase of 50 chairs.
- Subject to formal credit approval and subject to status

We can offer interest free credit over 2 years - other lease terms are available, including part payment and payment plans from 1 to 5 years.

Posturite Ltd provides leasing in partnership with Plus Finance, the UK's leader in office furniture and refurbishment finance.

Below are examples of the costs of some of the most popular, ergonomic, office chairs – for illustrative purposes only.
