

2.0

High-end mouse

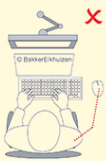

Slim, ergonomic and programmable butto

Mousetrapper advance 2.0 is the bestselling item in the Mousetrapper collection. The advance 2.0 has had a design overhaul and is compatible with the latest operating systems.

The mouse is positioned in front of the keyboard, encouraging you to adopt a neutral posture. In addition, the mouse has 6 buttons that can be programmed to meet your personal requirements. The mouse is suitable for both left- and right-
