

PRM340

Port Replicator Module for Ergo-T340

 BAKKER ELKHUIZEN

Work Smart - Feel Good

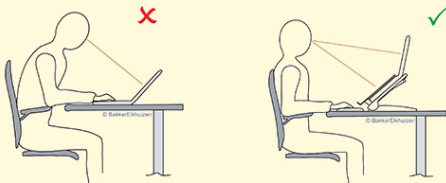

Now it's even easier to get to work 

The PRM340 is an expansion of the ergonomic laptop stand Ergo-T340, and is very easy to attach.

A unique, universal option to use an advanced Port replicator or USB hub to connect all your peripheral equipment beforehand.

Using a notebook stand in combination with an external keyboard and mouse increases productivity by 17%.

Facility for: Ergo-T340.

Unique, universal facility: to integrate any advanced port replicator (docking station) or USB hub to pre-connect all your peripherals.

Fits all sizes of laptops: height adjustable.

Ideal: quick and easy access to desktop peripherals at the office and get an ergonomic workstation by integrating a port replicator onto the Ergo-T 340 with the PRM 340!
